The Epistle to the Ephesians - Adult Education Study

Growth groups are doing a slow read through of the book of Ephesians, and in order to help them better understand this letter of Paul we will be discussing this text on Sunday mornings for the next six weeks in our Adult Education class. (beginning Sept. 1). Even if you are not doing the Ephesians reading as part of your daily devotion we hope that you will still join us for this study. Come and begin a new school year habit by participating in the communal study of God's Word together. For any questions please direct them to Pastor Jonathan at jonathan.ruehs@cui.edu.

Reading the Bible in a year.

Do you want to read the bible in less than a year? If you read four chapters a day, you will finish the bible in about 10 months. The readings will take between 25-30 minutes. You can read two chapters in the morning and two at night or two in the morning, one in the afternoon and one at night? Add your five minutes of prayer and you will be good to go. THIS CHALLENGE IS NOT FOR EVERYONE! Maybe now is not the time. You can build up to it. Try reading at least two chapters a day and you will be developing the discipline to get to this project. There is a reading guide to help you with this reading project. I recommend a Psalm a day and three chapters starting with Genesis 1. When you complete the book of Psalms, read one chapter from Proverbs and three chapters of where you are at the time. Don't be afraid to try this one. It is hard but it is doable. Look for the yellow card stock sheet on the counter as you enter the sanctuary.
